

TO NEED HUNDREDS FOR CLERICAL WORK

Government Bureaus Will
Open Many Places.

EXPERTS IN GREAT DEMAND

Schools and Colleges Prepare to
Supply Graduates.

Uncle Sam has issued a call to young men and women to prepare for clerical positions with the Government.

The war has caused the resignations of hundreds of Government employees, whose services the Government was willing to lose in one branch because of their skill in military duty. The many additional bureaus that will be created in the various Government departments on account of the war will demand hundreds of clerical workers.

Heads of training schools and colleges are publishing today a summary of the courses that may be had now by ambitious young men and women. They point out that because of the suspension of the civil service regulations in many instances, it is comparatively easy for men and women with skilled training to obtain permanent positions at good salaries.

Linguists Needed.
Expert stenographers were never in such great demand as at present, the advertisements declare, for the overflow of clerical work that has come to Government bureaus must

be performed by those who have been trained by practical instructors. Automobile experts, graduates of schools of drafting, wireless operators, typewriters, bookkeepers, expert accountants, and men and women with a speaking knowledge of Spanish or French are particularly valuable at the present time, both to the Government and to private employers. The Government is also anxious to be in the market for illustrators, designers, and cartoonists. Persons who take advantage of the special rates that are offered by the institutions whose advertisements appear today will be qualified to perform the highly technical services which the Government will need badly as the war progresses.

Should Qualify Now.

Hundreds of important places with the Government are now unfilled. Clerks and stenographers to take the places of transferred men will be needed shortly and the shortage of trained men and women is so great that hundreds of employees must be brought here from great distances.

Now is the time, according to the principals of various training schools in the District, to qualify for important openings that exist now and that will be created later by wartime demands. Application to any of the colleges listed will bring detailed information about courses, hours, and expenses.

PRELATE CALLED TO ROME.
Archbishop Bonaventura Cerretti, former auditor to the apostolic delegation in Washington, has been called to Rome from Sydney, Australia, to be assistant secretary to Cardinal Secretary of State Gasparri, at the Vatican.

During his stay here Archbishop Cerretti played an important part in the operation of Catholic affairs in the United States, and it is believed he will return to Rome by the western route, passing through Washington.

GRATEFUL NATION HONORS MOTHERS

Thousands Wear Carnations
As Token of Respect.

WAR ADDS TO SIGNIFICANCE

Churches Join in Observing Day
Set Aside By Congress.

Today is Mothers' Day.

Thousands are observing it by wearing flowers. Priests and ministers are preaching sermons on the peculiar significance of the day at this time. Mothers' Day originated in 1914, when the sentiment of a day to honor the motherhood of the nation took definite form. Then Congress passed a resolution making Mothers' Day a national event.

What the next year will bring forth in its burdens to the mothers of the United States is unknown. The sentiment connected with it is rooted in pure heart motives. The supreme sacrifice which many mothers probably will be called upon to make has taken deep hold among the people of this country, and there is a wider observance of the day this year than ever before.

At practically all churches the pastor will speak of deep reverence and respect due mothers now. Florists said today that the sales of flowers for use in observance of

the day were the largest since the custom was begun. Some of the shops were early depleted of their supply of white carnations, the emblem of Mothers' Day.

At the Foundry Epworth League meeting tonight, mothers will be the special guests of honor. A special service for mothers will be held in the H Street Christian Church tonight when the Rev. Preston A. Cave speaks on "Honoring Mothers."

A joint meeting of the Y. M. C. A. and the Y. W. C. A. will be held at St. Paul's Lutheran Church at 3:30 o'clock this afternoon. Senator Jones of Washington will be the speaker.

Home Inmates Greeted.
Inmates of the Home for the Aged were guests at the Metropolitan M. E. Church this morning when the Rev. Dr. Mitchell spoke on "Rebuilding the Altars of Childhood."

DEATH CLAIMS SON AS HE MOURNS MOTHER

George Ryan, Guardsman, Dies Day
After Parent Is Buried.

One day after the funeral of his mother, Mrs. Mary Ryan, George Ryan, aged thirty-seven, a member of "Company A," Third Infantry, died at Georgetown University Hospital early this morning. Death was caused by pneumonia. His mother was buried in the Holy Rood Cemetery yesterday.

Before enlisting in the District guard for border service, Ryan was a member of the United States coast artillery for four years. He is survived by four brothers, F. J. Ryan, of the local bar; John W. C. S. and William P. Ryan, and two sisters, Mrs. Margaret Moynahan, of Chicago, and Mary Harrison, of this city.

Funeral arrangements have not yet been made.
